- 1,170 full-time faculty members
- 730 administrative staff
- 4 campuses(3 in Daegu, 1 in Sangju)
- 14 graduate schools
- 20 colleges and schools
- 109 research centers

● **Specialized Departments**

○ **Electronics Engineering : Semiconductor Devices & Systems**

- Fostering customized business & a practically trained, talented workforce as the central school of Industrial-Educational Cooperation
- Fostering talented individuals & a global research group that transcend regional limitations.
- Reestablishing the status as base school & university for specialization of new IT convergence area

○ **Electronics Engineering : Mobile Communication & Networks**

- Fostering talented, highly achieved graduates who will become future leaders in the Smart Mobile Industry.
- Fostering a talented workforce of IT convergence experts through the development of creative education program.

○ **Chemistry : Convergence Chemistry**

- Researching the most important renewable energy sources for sustainable growth in the 21st century
- Chemical technology development of clean nanomaterials for the implementation of renewable energy
- Convergence research of clean technology, material technology and energy technology

○ Food Science and Technology: Food Science

- Supporting funds for specialization: two hundred million won (US\$ 187,420) every year for four years
- Specialization of Functional Food Biotechnology
- Fostering global Food Engineers who will contribute to the development of the Food Industry, New Growth Engines Industry, and lead the globalization of Korean food technology

○ Mechanical Engineering: Robotics & Automation

- The robotics and automation area of mechanical engineering combines advanced areas, including but not limited to information, semiconductors, artificial intelligence, bio-mechanics, advanced materials, and microelectromechanical systems (MEMS), with more traditional mechanical and electrical engineering to create a high-value-added converging technology that will play a crucial role for the economic growth of the country in the 21st century

○ Business Administration : AACSB-accredited Education

- Meeting the 21 standards that schools of Business Administration should adhere to (including teaching staff, student support, curriculum, facilities, research achievement etc.)

- 1 Year Korean Language Program
- 2 Year Degree Program

3. Important Notes on the Scholarship Period.

- The scholarship period for the degree program cannot and will not be extended.
- The scholarship period for the language program will not affect the scholarship period for the degree program. For example, even if a grantee takes 6 months of the language program instead of 1 year, the period that the KGSP covers for his/her degree program will remain intact (2 years for Master's degree and 3 years for Doctoral degrees).
- KGSP grantees with advanced TOPIK levels (Levels 5 and 6)
 - Those who have the advanced levels at the time of applying will be exempted from the 1-year Korean language program. The exempted period will be deducted from the total scholarship period, down to 2 years for Master's degrees and 3 years for Doctoral degrees.
 - Those who achieve the advanced levels on TOPIK within the first 6 months of the language program will be exempted from the Korean language program and must start their degree programs in the following semester. The exempted period will be deducted from the total scholarship period, down to 2.5 years for Master's degrees and 3.5 years for Doctoral degrees.

IX. KOREAN LANGUAGE PROGRAM

- All scholars, unless exempted, must take the 1-year Korean language program at language institutions assigned by NIIED.
- Exemption of the Korean language program
 - The KGSP grantees with advanced levels (5 & 6) on TOPIK at the time of applying will be exempted from the language program and must start their degree programs upon arriving in Korea.
 - The KGSP grantees who achieve advanced levels on TOPIK within the first 6 months of their language program, will be exempted from it in the following semester and must start their degree programs.
 - A valid TOPIK certificate must be submitted to NIIED.
- When assigning the language institution, NIIED considers the following:
 - The language institution is not located in the same city as the scholar's degree university; and
 - The language institution offers a variety of opportunities for the scholars to learn different local cultures of Korea.
- The language institution for successful KGSP grantees will be announced along with the final results.
- Note that the assigned language institution cannot and will not be changed.
- The KGSP grantees in the Korean language program must live on-campus at the language institutions.
 - Most rooms of the university dormitories are shared with roommates.
 - Living with family members is strictly forbidden.
- Prerequisite to complete the language program
 - The KGSP scholars must obtain at least level 3 on TOPIK by the end of the 1-year Korean language program, in order to be able to proceed to their degree programs.
 - The failure in achieving the level 3 on TOPIK within the 1-year language program will result in the cancellation of the scholarship.

X. OTHER IMPORTANT NOTES

1. Medical Insurance

- Universities and language institutions will purchase medical insurance plans on behalf of the KGSP grantees.
- The insurance plan will be effective after the designated dates of arrival.
- The medical fees incurred throughout the scholarship period will be reimbursed by the insurance company.
 - KGSP grantees must pay for the hospital fees first and submit the receipt to the insurance company
 - The insurance company will refund part of the fees. It is the KGSP grantees' responsibility to check the insurance terms and policies, which will be given through the universities and language institutions.
- The medical insurance will not cover the expenses for dental or chronic diseases.

2. Scholarship Withdrawal or Cancellation

- The KGSP grantees who forfeit and withdraw from the scholarship will NOT receive the returning flight tickets or the Scholarship Completion Grants.

- The KGSP grantees who forfeit and withdraw from the scholarship within the first 3 months after the entry to Korea MUST return the scholarship fees that they have received during the mentioned period. It will include the airfare of the entry ticket to Korea, the settlement allowance, monthly allowance, medical insurance fees, and tuition.

3. Restriction on Changing Universities and Degrees

- Transferring to a different university under this scholarship is NOT permitted in any case.
- Changing majors may be possible in limited situations only, including but not limited to the following:
 - with the approval of the applicant's university and concerned departments; or
 - with the scholarship period unchanged. (3 years for Doctoral and 2 years for Master's)

FORM 5. KGSP Applicant Pledge

Pledge

As an applicant for the 2016 “Korean Government Scholarship Program (KGSP) for Graduate Study”, I pledge to abide by the following rules:

- (1) To refrain from violation of university regulations and to fulfill my obligations as a KGSP scholar to the best of my ability.
- (2) To behave in a manner appropriate to Korean culture and society, and not to participate in any form of political activity (such as organizing a political party, joining a political party, attending political meetings, publishing political articles and declarations, organizing or participating in demonstrations of a political nature, and so on).
- (3) To accept responsibility for paying any debts incurred in Korea
- (4) To agree with NIIED's decision concerning the graduate program and the Korean language course
- (5) To abide by all terms and regulations set by NIIED.
- (6) To permit NIIED to use my personal information for the KGSP.

If I am proved to have violated any of the above or to have made a false statement in my application documents, I shall accept any resolution or penalty made by NIIED, even when it may/might result in suspension, revocation or withdrawal of my scholarship.

I was informed and fully understand that KGSP scholars are not permitted to transfer schools for the entire duration of scholarship after confirming their host institution including Korean language institution.
